# About us

## **A LEADING INDUSTRIAL CHEMICAL SUPPLIER**

With nearly two decades of experience as an industrial chemical supplier, we are renowned worldwide for our reliable, high-quality, and well-localized chemical products.

## **A TRUSTED PARTNER IN CHEMICAL SOURCING**

Due to our strong localization, we have access to an extensive global chemical distribution network, allowing us to efficiently source and supply high-quality raw chemical materials at competitive prices.

## **TAILOR-MADE CHEMICAL SOLUTIONS**

We offer customized chemical solutions to meet all your chemical needs as well as assistance in selecting the most fitting and compatible goods according to their individual requirements.

# Why UCS?

Quick Turnaround: With an expansive reach, we fulfill client needs swiftly.

Quality Products: Offering a diverse range of top-notch chemicals.

Competitive Pricing: We pride ourselves on flexible rates that stand out in the market.

Efficient Delivery: Our vast fleet of over 30 ISO tanks ensures prompt deliveries.

Consultation: We don't just supply; we guide clients to the best product choices.

# Bridging the gap between **supply & demand**

ensuring access to premium chemical solutions **wherever you are.**

---

# Our Record Speaks

Over the years, we have supplied our partners with an extensive selection of products of the highest quality, including:
